CR - County rarity

CR* - County rarity with condition below

a - Red-crested Pochard (fem/imms)

b - Quail (non-calling birds)

c - Red-throated Diver (inland only)

d - Storm Petrel (except Jun to Sep)

e - Fulmar (blue phase)

f - Slavonian Grebe (winter plumage only)

g - Black-necked Grebe (winter coastal records)

h - Great White Egret (except for singles from the Dee between Burton and Heswall and the Mersey between Fiddler's Ferry to Eastham, including Frodsham, outside the period May-Sep).

i - Shag (inland only)

j - Pomarine Skua (other than adult with spoons)

k - Long-eared Owl (flight only)

l - Marsh Tit (away from proven breeding sites)

m - Willow Tit (away from proven breeding sites)

n - Cetti's Warbler (non-singing birds that are not trapped)

o - Chiffchaff (all races except collybita)

p - Black Redstart (inland only)

q - Yellow Wagtail (non-flavissima races)

r - Rock Pipit (petrosus away from rocky coasts and littoralis away from estuaries) Water Pipit

s - Snow Bunting (inland records only)
